Mayor's Message

On behalf of the City, I would like to thank you for your purchase of the first City of Plantation Calendar. It is our sincere hope that you will find it helpful and interesting. We have sought not only to provide information on Plantation events and happenings, but also photos of both new and familiar landmarks.

I am proud to work with a team of City Council members and City employees to create a community that embraces a diverse population and wide range of businesses and organizations.

In keeping with the City's original Master Plan, elected officials throughout the years have made our parks and recreation system and controlled growth a top priority. Therefore, it is appropriate that every dollar raised through the sale of the City Calendar will go to enhance the City Parks and Recreation programs that we all enjoy.

As we continue working together for the good of our community, I am reminded of the words of Helen Keller, "Alone we can do so little; together we can do so much."

Wishing you all a safe and happy year,

Mayor Rae Carole Armstrong

Proceeds from the 2007 Plantation Calendar will go to Parks & Recreation programs.

Suggested retail price $5 + tax

PLANTATION PRESERVE GOLF COURSE AND CLUB, located at 7050 W. Broward Boulevard, is the newest recreational facility in the City. The 213-acre site was completely renovated from an abandoned golf course to an everglades-themed protected open space including an 18-hole public golf course, driving range and clubhouse with a 160 seat dining room and lounge. A 1.5 mile. linear park winds its way through the golf course and wetlands area.

PLANTATION ROAD. The Department of Landscape Architecture creates, manages and maintains the high standards of aesthetic qualities established by the City. The department encourages continued growth and preservation of the City's natural resources. It also provides our residents with arboricultural and horticultural educational opportunities and manages the City's award winning urban forestry program. The City of Plantation has been recognized as a Tree City USA for 26 consecutive years and is a recipient of the National Arbor Day Foundation – Sterling Award for its continued efforts in urban forestry. The department also provides professional services in the areas of development processing, permitting and code enforcement.
