HOSTED BY

GULFSTREAM

DESCRIPTION OF 5K & 1/2 MARATHON COURSES

These runs are fast and flat. Both run distances, 5K Run/Walk and 1/2 Marathon are USATF certified. Each event will start in the center of Gulfstream Park and head through the shaded neighborhood streets of The City of Hallandale. Both courses will then come back through Gulfstream Park with the 5K Run/Walk finishing back at the start. The 1/2 Marathon will head out of Gulfstream Park south into Aventura through shaded tree lined streets and around the beautiful "Circle" with its lakes and golf course. Runners will then return back to Gulfstream Park and finish in the center of the Village.

- Frequent Water stops throughout the runs
- Police and volunteers at every intersection
- Lots of shade throughout the course
- Medical staff will be posted around the course
- A spectator friendly course with multiple opportunities to cheer on participants
- A great way to support Joe DiMaggio Children's Hospital and the Lance Armstrong Foundation

The runs and walks will NOT finish on the Race track.
