(Please use additional paper as required to complete your submission. Attachments are permissible)

Mrs. Eddie Fletcher Jackson was my third grade teacher. She has served in the Broward County School System as a teacher and principal for her life time of devotion. Following her retirement, she worked tirelessly for Habitat for Humanity. She has been a mentor, motivator, and inspiration for me and many of my peers. Mrs. Fletcher Jackson was born in Brooksville, FL but she settled in Hallandale and dedicated her life to the children of Broward County. She died earlier this year and rests here in Hallandale.
