Director of Finance  
City of Hallandale Beach  
400 S. Federal Hwy.  
Hallandale Beach, FL 33009

Dear Ms. Ladolcetta,

The Hallandale Community Council Scholarship Fund would like to formally request that the City of Hallandale Beach include a donation to be used toward scholarships in the amount of \$5,000.00.

Since 1961 the scholarship fund has been helping to make a difference in the lives of students who dream of making a better life for themselves through continuing their education after high school. Each year H.C.C.S.F. seeks scholarship applicants from high school seniors who reside in Hallandale Beach and will be pursuing a higher education. Education creates possibilities and supporting the Hallandale Community Council Scholarship Fund is a good way to help these students achieve that dream.

This year we are expanding our categories for students to include a tech prep scholarship as well. This will enable us to help even more of our local students to be successful, even those choosing a trade school instead of a two or four year institution.

To ensure we can help as many students as possible it is necessary to go to the community and our local government to reach these goals. Since the first scholarship was given to a needy student the scholarship fund has helped close to 900 students in the past 47 years. We hope the City of Hallandale Beach will step up to the plate to assist us in providing even more students the opportunity of making a success of their lives through education.

I have enclosed a copy of our new scholarship criteria for your review. If you have any questions, please feel free to contact me and I look forward to another great year for our students and community.

Best regards,

  
Jeff Greaver  
President
