The Marine Advisory Committee Chairperson Jerry Natelson will be presenting the 2008 Annual Report at the April 1st City Commission Meeting.

The Marine Advisory Committee consists of the following members:

1. Jerry Natelson, Chairperson
2. Jacqueline Pentecost, Secretary
3. Sal Broccone, Member
4. Bob Lasky, Member
5. Joe Kessel, Member
6. Sue Bradley, Member
7. Rick Levinson, Member

To again state our purpose, it is to advise the city on marine issues such as our beach, waterways and lakes, marine safety and development of a new marina.

During 2008 we worked on several special projects throughout the year.

- In March we participated in the Broward County Waterway Cleanup
- We helped institute the Adopt-A-Beach Program.
- We disseminated boating safety and hurricane information. We also worked on continuing the Marine Patrol Unit and worked with city employees on the planning of the marina project. We continue to be involved in the beach cleanup efforts.
- We are proud to report that the majority of the Marine Advisory Committee members have been certified as CERT members, to be second responders during a disaster.

We all want to thank our mentors in the Hallandale Beach Police Department; beginning with Chief Magill, Major Flournoy, Sgt. Michel, and our secretary Michelle Dimitri.
