

CITY OF HALLANDALE BEACH
MEMORANDUM

DATE: March 12, 2010
TO: Christy Dominguez, Director, Planning & Zoning Division
FROM: Thomas A. Magill, Chief of Police 
SUBJECT: Application for Nightclub License
Deco Lounge (M-2774)

Staff made contact with the owner of the Deco Lounge in reference to concerns the Police Department might have by allowing this business to stay open past 2 a.m. The owner, Mr. Kitt Marcelus explained the type of business and patrons he is targeting and advised he will be hiring off duty police officers at the club on nights the business remains open past 2 a.m.

Since the business is new to the city, we are unable to provide two twelve month reports. However we conducted a background check on the applicant of the license in January 2010 and again in March 2010, in which there were no significant changes. The Police Department has no concerns if the City decides to issue the establishment an extended liquor license.
