Office of City Manager Of Hallandale;

This is a request for consideration of the same Grant afforded us last year out of your Budget.

The \$25000 dollars allowed us to help over 13000 families in our area, at a time when donations are down because of the economy, and prices are up.

Since the advent of 9-11 and the recession we have grown over 38% and have never turned away a deserving family.

This year marks the 21st year of operation for us without missing a single day of planned distribution. We have unfortunately seen many Pantries come and go because of lack of funds or not enough dedication. We are here mostly because of your help and Community Support.

I hope you look at this request in a supportive manner as you have in the past.

We are proud of what Hallandale does for it's families, and I am proud of the 14 area Volunteers that work to make it happen.

We wouldn't be here if it wasn't for you.

Sincerely yours ;Doing work God Intended;

Paul B. Snow, Director
