Dear Mike Good, Hallandale Beach City Manager;

On behalf of the staff, students and parents of the City of Hallandale Palms Center for the Arts, we will like to thank you for your support to the 2009 summer arts and cultural programs held within our community. Your sponsorship will inspire and transform our young generations; promote economic vitality and enrich the quality of life for our students and their families.

Due to the overwhelmingly success of the 2009 summer arts program and the success to reach and transform at-risk youth in our community we are bursting at the seams, and have utilized to the fullest extent the wonderful facility you have provided to us. We currently seek partnership and sponsorship for the 2009-2010 Fiscal year to continue and expand the *Educational, Cultural, Musical and Arts-at-Work Computer Technology and Graphics programs* that will be offered at the Palms Center for the Arts.

We request and sincerely ask you to consider our budget request for **fiscal year 2009-2010** in the amount of **\$100, 000** to cover an **Educational and Cultural program** to serve *150 at-risk and low income youth ages 6-19* in the City of Hallandale. Your support will assure that the Palms Center for the Arts will continue to be a Safe Haven for our youth.

Sincerely,

Dr. Deborah R. Brown
Artistic Director

Mr. Stewart Rabin
