Please ensure this is on the agenda for Historic Board must select nominee at June meeting!

Dear Mayor Cooper:

The Broward County Historical Commission is pleased to announce the upcoming celebration of our thirty-eighth annual Broward County Pioneer Day recognition ceremony. We look forward to your municipality joining us for this year's event which will take place on Saturday, October 23, 2010, at the Walter C. Young Resource Center in Pembroke Pines, 901 NW 129 Avenue.

As the Historical Commission has done each year, we are asking your municipality to select one or two living pioneers to be honored at this special ceremony. Whenever possible, we ask that older communities select pioneers who arrived before 1940 and those newer communities (those established after 1940) choose individuals who were present in the early years of its existence. As many groups take the summer off, you may wish to choose your pioneers before summer begins.

We also ask that you complete the enclosed Pioneer Nomination and Biographical Data Form for Pioneer Day 2010 for each nominee and return it to my attention at the above address or via e-mail to dcunningham@broward.org. It is important to get the completed forms to us as soon as possible to ensure that your nominee's biographies will be included in the official Pioneer Day program. The deadline for submission is August 1, 2010.

We encourage your Pioneer nominees to share as many memories, photographs and memorabilia as possible. These may be included in the program. We would greatly appreciate your using their information and replying to us in narrative form. It would be most helpful if you could e-mail us the narrative and mail or deliver photographs to our office. Original items can be scanned and returned to the Pioneers.

I know that you will give this matter a great deal of consideration and we are eager to assist you in whatever manner possible. We are looking forward to working with you to make the Pioneer Day ceremony a great success.

Sincerely,

Helen Landers
