Dear Captain Paul Robert,

Thank you! Kids In Distress appreciates you taking the time to learn more about us. **By partnering with KID, you make a direct and lasting difference in the lives of thousands of children in your community that will last for generations.**

KID was founded in 1979 and is a nationally accredited agency dedicated to the prevention of child abuse, preservation of the family and the care and treatment of abused and neglected children. We service over 7000 children and their families every year in Broward and Palm Beach counties.

Only a fraction of our operating budget comes from government contracts, so without the \$3.2 MM in private funding we receive from corporate and community involvement, Kids in Distress wouldn't be able to accomplish all that we do.

One way that we raise funds is by partnering with community groups. Recently we received donations from Hollywood, Wilton Manors, Miramar, Plantation, Coral Springs, Sunrise, BSO that came from discretionary fund sources (LETF, confiscated funds from the police dept., etc).

Unfortunately, many of our children and families are victims of some sort of criminal behaviors. Our Prevention, Mentoring, Therapeutic Preschool, and Kinship Support programs focus on working with at-risk children and their families with the purpose to educate and raise awareness to decrease future criminal activity.

Kids In Distress respectfully requests a donation in the amount of \$500.00. This would help KID raise the necessary funds to continue to offer protective services for years to come. Including the hundreds of families that we serve each year in the City of Hallandale Beach.

I look forward to creating a lasting partnership.

Kind regards,

Patricia Gallagher-Moskol
