Assist residents and visitors on a daily basis with Hallandale Beach information
Assist the city and business community with initiatives as they arise (Census 2010, Eco Fair, Jobs Program)
Email special deals and opportunities directly to residents and visitors to shop in Hallandale Beach

The funds requested for the 2010/2011 budget period will be used to continue the many Chamber projects that are underway to promote the City of Hallandale Beach thereby increasing the city's tax base as well as the quality of life of it's residents and visitors.

Thank you, in advance, for your consideration.
