

CITY OF HALLANDALE BEACH
MEMORANDUM

DATE: August 9, 2010

TO: Christy Dominguez, Director, Planning & Zoning Division

FROM: Thomas A. Magill, Chief of Police 

SUBJECT: Application for Nightclub License Santanera D/B/A Santos
(M-2814)

Staff made contact with the owner of the Santos Nightclub in reference to concerns the Police Department might have by allowing this business to stay open past 2 a.m. The owner, Mr. Carlos Tellez-Bortoni explained the type of business and patrons he is targeting and advised he will be hiring off duty police officers at the club on nights the business remains open past 2 a.m.

After reviewing the site plans and speaking to the owner, the Police Department has no concerns if the City decides to issue the establishment an extended liquor license.
