To Whom It May Concern:

I have had the pleasure to work with Tony Beall over the past three years in a variety of capacities in my role as President and CEO of the Greater Fort Lauderdale Chamber of Commerce.

During my interactions with Mr. Beall, I can say unequivocally that he is one of the most professional and knowledgeable individuals with whom I have had the pleasure to work. Specifically, Mr. Beall helped me on my Board of Directors and was given the task of resurrecting our Charitable Foundation and grow our non-profit marketplace.

Not only did he produce the framework from which our Foundation can be launched in 2011, but he has played a major part in growing our non-profit business sector from under 20 to nearly 150 organizations in short order.

He completes his tasks fully, is always responsive to my requests and goes above and beyond routinely in his work. There is no doubt in my mind that when it comes to non-profit interaction, Mr. Beall is in a league of his own.

Cordially,
