- CGA will assume responsibility for packaging and/or mailing/delivering the proposal to the potential grantor, as well as preparing and gathering forms of assurances, and related attachments such as support letters for the appendices.
- Consultant fees are based upon the scope of work, and includes reimbursables. In addition, the cost of grant research, preparation, and writing is not an allowable expense in a grant application.
- CGA will produce the best, most professionally prepared proposals in accordance with grant instructions and client specifications, but does not guarantee funding. The grant review process is highly competitive and results are usually based upon a systematic review process of which CGA has no influence.
- The City has expressed a high degree of urgency to submit the Hazard Mitigation Assistance Grant application within ten (10) calendar days from the notice to proceed to meet the agency's extended application period.
