City Of Hallandale Beach  
City Clerk's Department – Executive Offices  
400 S. Federal Highway – 2nd Floor  
Hallandale Beach, Florida 33009  
Titled: Bid # Fy 2011-2012-015: Ne Quadrant Drainage  
Improvement Project.

To Whom It May Concern:

### **Community Benefit Plan**

Lanzo Construction, as part of this bid, to fulfill the requirement of a Community Benefit Plan shall provide five percent (5%) our Firm's bid price to benefit the City's local community through this Community Benefit Plan. These benefits will include local vendor utilization when available and employment opportunities for residents of the City if awarded. We have taken advantage of the opportunity at the mandatory pre-bid meeting to reach out to various firms of different trades that were in attendance.

Sincerely,

Michael R. Bone,  
Vice President

CC: Bid File

**00130. DRUG-FREE WORKPLACE FORM**

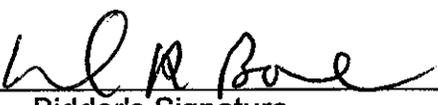

The undersigned vendor in accordance with Florida Statute 287.087

Hereby certified that Lanzo Construction Co., Florida does:  
(Name of Business)

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).
4. In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of or plea of guilty or nolo contendere to, any violation of Chapter 1893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
5. Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.
6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As a person authorized to sign the statement, I certify that this firm complies fully with the above requirements.

**00300. BID/TENDER FORM**

<b>SUBMITTED BY:</b>	Lanzo Construction Co., Florida
<b>DATE:</b>	August 13, 2012

The undersigned, as Bidder, hereby declares that the only persons interested in this bid as principal are named herein and that no person other than herein mentioned has any interest in this bid or in the Contract to be entered into; that this bid is made without connection with any other person, firm, or parties making a bid; and that it is, in all respects, made fairly and in good faith without collusion or fraud.

The Bidder further declares that he has examined the site of the work and informed himself fully of all conditions pertaining to the place where the work is to be done; that he has examined the Bid Project Document and all addenda thereto furnished before the opening of the bids, as acknowledged below; and that he has satisfied himself about the work to be performed; and that he has submitted the required Bid Guaranty and the Small Disadvantaged Business Enterprise forms (if required) and all other required information with the bid.

The Bidder agrees, if this bid is accepted, to contract with the City of Hallandale Beach, a political subdivision of the State of Florida, on the form attached hereto, to furnish all necessary materials, equipment, machinery, tools, apparatus, means of transportation, and all labor necessary to construct and complete within the time limits specified the work covered by this bid and other Contract Documents for the project entitled: **BID #FY2011-2012-015: NE QUADRANT DRAINAGE IMPROVEMENT PROJECT**

The undersigned further agrees that the Bid Guaranty accompanying the bid shall be forfeited if he fails to execute said Contract, or fails to furnish the required Bid Bond or fails to furnish the required Certificate(s) of Insurance within 15 calendar days after being notified of the award of the Contract.

In the event of arithmetical errors, the Bidder agrees that these errors are errors which may be corrected by the CITY. In the event of a discrepancy between the price bid in figures and the price bid in words, the price in words shall govern. Bidder agrees that any unit price listed in the bid is to be multiplied by the stated quantity requirements in order to arrive at the total.

None

ADDENDUM ACKNOWLEDGEMENT is hereby made of the following addenda (identified by number) received since issuance of the Bid Project Document:

ADDENDUM NUMBER:	DATE ISSUED:
#1 6/21/12, #2 7/09/12, #3 7/12/12, #4 7/20/12, #5 8/02/12, #6 8/07/12,

The undersigned guarantees the truth and accuracy of all statements and the answers contained herein.

1.	How many years has your organization been in business as a Contractor? 32 Years
2.	What is the last project of this nature that you have completed? City of Oakland Park Kimberly Lake Basin Installation of 4,415 LF of 72" RCP & Lg. Sediment Separation Structure
3.	Have you ever failed to complete the work awarded to you? If so, where and why? No
4.	Provide three (3) references of projects of a similar size, scope and complexity that have been completed by your company within the last five (5) years. Provide the name of company/owner/business, contact name of individual and his role/title, address of the company, and telephone number. Please see attached

5. List the following information concerning all contracts in progress as of the date of submission of this bid. (In case of co-venture, list the information for all co-ventures).

Name of Project	Owner	Total Contract Value	Contracted Date of Completion	% of Completion To Date
Please see attached "Work In Progress"				

(Continue list on insert sheet, if necessary)

6.	Has the Bidder or his or her representative inspected the propose project and does the Bidder have a complete plan for its performance?
	Yes
7.	Will you subcontract any part of this work? If so, give details including a list of each subcontractor(s) that will perform work in excess of ten percent (10%) of the contract amount and the work that will be performed by each such subcontractor(s).
	None

The foregoing list of subcontractor(s) may not be amended after award of the contract without the prior written approval of the Contract Administrator, whose approval shall not be unreasonably withheld.

8.	What equipment do you own that is available for the work?
	All equipment necessary to complete the work. Please see attached "Resume of Qualifications",
	Section 7, Equipment Schedule
9.	What equipment will you purchase for the proposed work?
	None
10.	What equipment will you rent for the proposed work?
	As needed

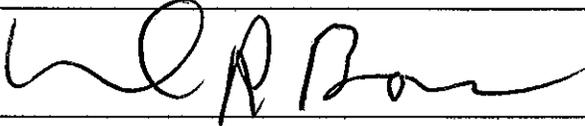

11.	State the name of your proposed project manager and give details of his or her qualifications and experience in managing similar jobs.
	Robert W. Beaty III - See attached "Resume of Qualifications", Section
	Executive & Management Resumes
12.	State the true, exact, correct and complete name of the partnership, corporation or trade name under which you do business and the address of the place of business: (If a corporation, state the name of the president and secretary. If a trade name, state the names of the individuals who do business under the trade name).
12.1	The correct name of the Bidder is Lanzo Construction Co., Florida
12.2	The business is a (Sole Proprietorship); (Partnership); (Corporation).
	Florida Corporation
12.3	The address of principal place of business is
	125 S.E. 5th Court, Deerfield Beach, FL 33441
12.4	The names of the corporate officers, or partners, or individuals doing business under a trade name, are as follows:
	None

12.5.	List all organizations which were predecessors to Bidder or in which the principals or officers of the Bidder were principals or officers.
	None
12.6	List and describe all bankruptcy petitions (voluntary or involuntary) which have been filed by or against the Bidder, its parent or subsidiaries or predecessor organizations during the past five (5) years. Include in the description the disposition of each such petition.
	None
12.7	List and describe all successful Performance or Payment Bond claims made to your surety(ies) during the last five (5) years. The list and descriptions should include claims against the bond of the Bidder and its predecessor organization(s).
	None
12.8	List all claims, arbitrations, administrative hearings and lawsuits brought by or against the Bidder or its predecessor organization(s) during the last five (5) years. The list shall include all case names; case, arbitration or hearing identification number; the name of the project over which the dispute arose; and a description of the subject matter of the dispute.
	None

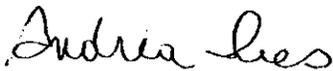

12.9	List and describe all criminal proceedings or hearings concerning business related offenses in which the Bidder, its principals or officers or predecessor or organization(s) were defendants.
	None
12.10	Has the Bidder, its principals, officers or predecessor organization(s) been debarred or suspended from bidding by any government during the last five (5) years? If yes, provide details.
	No

City of Marathon	Service Area 5 Waste Water & Storm Water	This project was located in the City of Marathon in the Florida Keys. The scope of work included excavation in cap rock formation throughout the project for the installation of a new Air/Vac Vacuum sewage collection system and an onsite drainage collection system. The vacuum mains are installed in similar fashion as gravity mains in that they have a design slope. The Air/Vac installation included PVC DR21 Vacuum mains - 51,315LF of 4", 21,475LF of 6", 10,270LF of 8", 4,100LF of 10" main, and 460 EA vacuum valve pits. The drainage system included the installation of 306 EA 30" diameter Nyloplast catch basins feeding 43,232LF of Perforated 18" HDPE Drainage pipe installed in exfiltration trenches. Also 19 EA gravity drainage wells of various diameters from 8" up to 24" with concrete control structures. 1,800 LF of custom curb was installed to control the travel lane of US1, the only road in or out of the Keys. All this work was installed along a public right of way and required pavement restoration and final overlay of the existing roads.
