Dear Chief Sullivan:

Subject: Piggyback Contract - City of Lauderhill

Intermedix was awarded a new contract, after going through a formal RFP process, with the City of Lauderhill in 2012 to provide EMS billing and collection services along with ePCR technology (TripTix). A copy of the Agreement was provided via email for your review.

This letter hereby serves as authorization for the City to effectively “camp-on” or “piggyback” this in-force agreement.

Should you have any questions, please feel free to contact me. We continue to appreciate our relationship with the City of Hallandale Beach and look forward to continuing our mutually rewarding relationship well into the future.

Sincerely,

Darryl M. Hartung
