Dear Ms. Dominguez

**Subject: Hallandale Beach, DEO #12-1ESR
Comments on Proposed Comprehensive Plan Amendment Package**

The South Florida Water Management District (District) has completed its review of the proposed amendment package submitted by the City of Hallandale Beach (City). The amendment package would update the Future Land Use Element text to be consistent with the Broward County Land Use Plan. There appear to be no regionally significant water resource issues; therefore, the District forwards no comments on the proposed amendment package.

The District offers its technical assistance to the City and the Department of Economic Opportunity in developing sound, sustainable solutions to meet the City's future water supply needs and to protect the region's water resources. Please forward a copy of adopted amendments to the District. For assistance or additional information, please contact Terry Manning, Policy and Planning Analyst at (561) 682-6779 or via email tmanning@sfwmd.gov.

Sincerely,
