If this quote requires using the customer's existing raceways or materials, it must be in workable order. If raceways or materials need to be modified or replaced, the customer will be billed on a change order.

All quotes are valid for 30 days.

This proposal does not include a service contract, service contracts can be purchased at the customers discretion upon completion of the project.

All products carry manufacturer standard warranty. Individual warranty will be handled by Aware Digital during the first year.

Specific product warranties will be provided to customer upon purchase.

Payment Terms and Conditions: A signed version of this document and PO are required to place the order. Once delivered and installed, the balance of the invoice is due immediately.

Any unreasonable delays which are not the fault of Aware Digital for the procurement of the system are the responsibility of the customer.

By signing this document customer hereby authorizes Aware Digital to provide the products and services described herein and to pay for said products and services as provided for under the payment terms section. You are agreeing to be bound by Aware digital's standard terms and conditions attached hereto.
