		ESTIMATE - Completed pricing verification is pending.		
		Golden Isles - Safe Neighborhood		
		Scope of Services - Install two high contrast license plate capture cameras, installation of four IR Vandal Dome cameras to cover sidewalks, integrating four (4) existing cameras to new IP based system, integrating all equipment to the City of Hallandale CCTV system via new conduit to closest wireless position and upgraded wireless links, and all recording to be done at City of Hallandale PD. UPDATED AS A RESULT OF THE QUARTERLY MEETING OF 9-10-12 - Aware digital will be replacing the 4 older cameras that are presently there and adding a monitor for the guard house. Additionally, the committee agreed to use refurbished 8000E encoders as a cost saving measure.
