**In re: Assignment of Regional Interlocal Agreements**

To the City Managers, Police Chiefs, and Fire Chiefs of Certain Municipalities in Broward County:

On February 26, 2013, Broward County and the Broward Sheriff's Office ("BSO") entered into a Second Amendment to the Interlocal Agreement providing for delivery of fire/rescue services ("Second Amendment"). In connection with the Second Amendment, the County and the BSO agreed to assign certain regional interlocal agreements to the County, including the Regional Interlocal Agreement between your municipality and the BSO providing for cooperative participation in a regional public safety Intranet.

Enclosed herewith for your review please find a proposed Assignment, Delegation, and Release Agreement ("Assignment") for your Regional Interlocal Agreement. In conjunction with your review of the entire Assignment, please note in particular the following provisions:

- Per the Second Amendment, the effective date of the Assignment is October 1, 2012;
- In order to synchronize the terms of the interlocal agreements for each of the affected municipalities, each Assignment provides for an identical date for the conclusion of the initial term (namely, September 30, 2015), with five-year renewals in accordance with the terms of the original interlocal agreement; and
- Exhibits B, D, E, F and G to the interlocal agreement are replaced (or, in some cases, supplemented) with the exhibits to the Assignment in order to accurately reflect the current contact information, procedures and standards for the relevant services.

If the Assignment meets with your approval, please have **six (6) copies** of the Assignment executed by the authorized representatives and return the signed copies to my attention at your earliest convenience at the above-listed address. Please do not hesitate to contact me if you have any questions.

Regards,

René D. Harrod, Assistant County Attorney
