APPLICATION

HUMAN SERVICES

I am pleased to submit for your perusal the name of Gerald Eddex for this award.

I have known Gerald for over 20 years , and have worked with him for the last 17.

It has been a distinct pleasure for me to meet and work with someone who has the same outlook and determination to strike down hunger, as I do, and as we know it.

Gerald has been more than just a Volunteer, as he has helped in times of extreme need, when I valued him most. As many of you know I have had major surgery with an amputation of my leg, and Gerald stepped up to make sure that we took care of all of our people in need. As he would wheel me down to the Pantry in a chair, he would then take over the task of all of the labor involved in the running of a steady ship. He not only took over the duties of running the Pantry ,but he helped me function at home in the most Humanitarian display of kindness that anyone could ever expect. His helping me run my home and do the things we all take for granted is an everlasting thank you that can never be justly rewarded.

His work at the Friendship Baptist Church of Hallandale has shown his resolve in helping others .He has been selected as a head Usher for several years , and serves on various positions in the function of the Church.

I cannot think of anyone who gives of himself more than Gerald, and as an ordinary person most of our neighbors would never know that the 13,000 packages of help to the area families has someone like him behind it, every year.

I hope that you consider my friend, and Assistant, for many years, for this award .

Sincerely yours in helping those that need us most;

Paul B. Snow -Director Hallandale Food Pantry Inc.

I am a volunteer registrar for Hapburn Center's  
Food Distribution program. Ms. Minhas comes in to  
package the foods offered on a regular basis,  
listing over 170 boxes with labels. She is  
a unsung heroine, many times working alone  
always quietly behind the scenes. She deserves  
recognition.
