### Benefits to the City of Hallandale Beach

What are the benefits to the City of Hallandale if we are serving Broward County?	<ol style="list-style-type: none"> <li>1. New revenue stream to the city by going after the federal dollars.</li> <li>2. Priority will be given to residents of Hallandale Beach and services offered will be conveniently located for Hallandale residents</li> <li>3. Hallandale Beach will be recognized as a part of the YouthBuild Federal program</li> <li>4. YouthBuild Hallandale Program will help reduce the unemployed rate among the targeted youth in Hallandale Beach.</li> <li>5. Service will be provided by 2 grassroots organizations</li> </ol>
Is this a cost reimbursement grant? If so what are the risks to the city seeing as they might have to up some money to start with?	This grant is cost reimbursement. All partners will need to be fully trained regarding allowable and unallowable expenses as well as proper documentation of expenses in order to ensure that the City will be able to recover all grant dollars spent.

### Key information under:

#### Admin Costs:

#### Does the city have a negotiated indirect cost agreement with the Federal Govt?

When doing the budget, the maximum for supervision is 15% and the maximum of administration is 10% unless the city has a negotiated indirect cost agreement that is higher than 10%. This means that across **all partners**, the total admin cannot exceed 10%. [Page 35](#)

- [Roughly \\$105,000](#)

#### COST SHARING OR MATCHING

DOL requires cost sharing or matching funds as a condition for application. Applicants must provide new cash (funds committed specifically to support this grant project, not prior investments) or **in-kind resources** equivalent to exactly 25 percent of the grant award amount as “matching” funds. Additional cost sharing above 25 percent may be committed towards the grant as “leveraged” funds. Please note that neither prior investments nor federal resources may be counted towards the matching funds threshold, including funds that were originally provided through federal funding.
