

ORDINANCE NO. 2012

AN ORDINANCE OF THE CITY OF HALLANDALE BEACH, FLORIDA AMENDING CHAPTER 32, OF THE ZONING AND LAND DEVELOPMENT CODE, ARTICLE II SECTION 32-174, PDD, PLANNED DEVELOPMENT OVERLAY DISTRICT AND SECTION 32-179 PLAC, PLANNED LOCAL ACTIVITY CENTER DISTRICT RELATIVE TO THE REVIEW OF MAJOR DEVELOPMENT PLANS; PROVIDING FOR CONFLICT; PROVIDING FOR SEVERABILITY; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, on February 1, 2012, the City Commission considered and approved the City's Citizens Planning Bill of Rights and an Administrative Policy regarding Public Notice;

WHEREAS, it is in the public interest for applications for Major Development projects in PDD and PLAC properties to be presented to the Planning and Zoning Board at a Public Hearing for their consideration and recommendations:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF HALLANDALE BEACH, FLORIDA:

SECTION 1. Chapter 32, of the City of Hallandale Beach Zoning and Land Development Code is hereby amended as follows:

* * *

Section 32-174 –PDD Planned Development District

* * *

(h) *Procedures and requirements for major development plan.*

(1) The application fees for major development plan in a planned development district shall be those adopted in the city's fee schedule for concurrency evaluation and development review.

(2) An application for a major development in a planned development district shall ~~not be presented to the planning and zoning board but shall~~ conform to the requirements for development review as provided in article V of this chapter, except as otherwise provided in this chapter.

38 (3) In addition to the requirements of article V of this chapter, the following shall be
39 submitted for major development plan approval:

- 40 a. A certified boundary survey.
- 41 b. General schematic representation of the land uses with densities and
42 intensities, along with a table of computation which depicts number of units,
43 gross floor areas, parking, building height and site coverage.
- 44 c. Approximate delineation of internal circulation, with hierarchical
45 classification of streets.
- 46 d. Points of connection of the local streets to the trafficways, including general
47 indication of the necessary improvements to the trafficways to accommodate the
48 local trips generated by the planned development.
- 49 e. General location and size of any community facility included within the
50 planned development such as parks, schools, fire stations, community center,
51 etc.
- 52 f. Indication of existing vegetation and all other natural features within the
53 planned development, together with general plans for their conservation or
54 mitigation.
- 55 g. Schematic depiction of the water distribution and wastewater collection
56 facilities and drainage system, including easements.
- 57 h. Specific indication of the development phasing, in terms of areas and
58 sequence.
- 59 i. In addition, the city manager may require additional material such as
60 elevation drawings and architectural renderings, plans, maps and studies
61 necessary to make findings and determinations to ensure the applicable
62 standards and guidelines of this chapter have been fully met.

63
64 (i) *Dimension and design regulations.*

65 (1) All site development standards and related development standards of this chapter are
66 to be negotiated between the city and the applicant as part of the development process in
67 accordance with the planned development district regulations and all other applicable city
68 codes, regulations and standards set forth in the design guidelines manual.

69 (2) All planned development districts shall contain a minimum of one acres of land under
70 unified control. However, the city commission may modify this minimum if it is determined to
71 meet all the following criteria:

- 72 (a) The size without the modification will significantly inhibit neighborhood
73 improvements;
- 74 (b) The modification adequately provides for service areas and other development
75 features for the project;
- 76 (c) The modification adequately provides for service and emergency vehicle access;
77 and
- 78 (d) The modification adequately provides for visibility of access.

79 The modification request shall be filed with the City Manager by an applicant with unified
80 control of the site. The request shall be transmitted to the City Commission accompanied by
81 a staff recommendation for approval or denial. Such requests for modification shall be

82 | advertised, posted and noticed in conformity with the requirements of Article IX section ~~32-~~
83 | ~~1003~~ 32-1004 of this chapter. The application fee for a modification request shall be those
84 | adopted by the city's fee schedule for redevelopment area modifications.

89 |
90 | * * *

91 |
92 | (i) Review, approval and modification of major development plans. A major development
93 | plan for each phase shall be submitted to and processed by the city in accordance with the
94 | provisions of ~~subsection 32-174(h)~~, Article V of this chapter, development review
95 | procedures, except that changes and deviations of a major development plan for any phase
96 | within a PLAC that does not exceed ten percent of the approved square footage in each
97 | phase or permitted uses and continues to be consistent with the approved design
98 | guidelines and/or development agreement within the PLAC district area shall only require
99 | administrative approval. All building permits issued subsequent to the approval of the PLAC
100 | rezoning shall be consistent with the respective approved major development plans.
