Project Report

Background

Atlantic Shores Boulevard is a City's own road. The public right-of-way is 100 feet wide and generally starts and ends at the back of the sidewalk. The current road has one travel lane in each direction; feet (5) wide sidewalk on both sides of the road; paved swale area within the public right-of-way is used for parking.

Scope of work

The project consists of providing pavement restoration and enhancements along Atlantic Shores Boulevard between State Road 5/US 1 and Diplomat Parkway. Enhancements will include drainage, signing and pavement markings, signalization, lighting and landscaping. All improvements within this project shall be in accordance with the American with Disabilities Act (ADA).

The scope of services outlines the effort required for the production of the construction documents which will be in accordance with City of Hallandale Beach, Broward County and FDOT Standards and Specifications.

Progress Report as of December 1, 2020

A presentation of the project will take place the 16th of December in front of the City Commission.
