PLEASE NOTE:

QUESTION #1.

MQR 5. c. Firm's Qualifications and Experience: "Provide a list of government and private clients your firm has contracts for the last three years. Please provide the dollar amount of each contract and a brief description of the services." We have conducted 556 projects for 243 clients including active clients in the past three years. Providing the client list, dollar amount and brief description will be a long process and may preclude us from submitting a proposal. Will the City accept a large sample of our work, or our clients from most recent three months?

ANSWER #1.

Please note, per page 16 of the RFP, firm must provide a list of government and private clients your firm has contracts for the last three years. Please provide the dollar amount of each contract and a brief description of the services.
